## The Tacoma RV Show® Promises New Models, Huge Selection And Season's Best Buys

**Tacoma, WA** – The 41<sup>ST</sup> annual Tacoma RV Show presented by BECU returns to the Tacoma Dome, January 23-26, 2025. It's the first major RV show of the year with 14 dealers and hundreds of RV's of all sizes and descriptions on display and for sale.

"The benefit of being first up is RV shoppers get first choice of refreshed dealer inventories", shared Bill O'Loughlin, President of O'Loughlin Trade Shows. "RV buyers will find every major category of RVs well-represented at this show. It's all here, in one place, side-by-side...it's the ultimate and best RV shopping experience. Nowhere else can you shop such a wide selection of types and models of RVs so efficiently and effectively."

"We have 80 different brands of travel trailers, 28 brands of motorhomes, 24 brands of Class B and 20 different brands of 5th wheels and the list goes on. And with each of these brands are several models to shop. There's also a good selection of used units to consider. For anyone in the market for an RV or just getting started on their RV journey this is the place to be", said O'Loughlin.

With 180 different RV brands represented in the show, there are hundreds of different floorplans and RV options available. Class A, B and C motorhomes, travel trailers, campers, destination trailers, park models, toy haulers, tent trailers and A-frames and 5th wheels are all at the show.

O'Loughlin added, "The variety we've been able to capture in this show is amazing. From mini travel trailers that can be towed by a car to full-sized park models that are truly a home on wheels."

The overlanding community will be pleased to see the breadth of overland products at this show. "The overlanding footprint continues to grow at this show", O'Loughlin observed, "it was only a couple displays in 2022, now we have large displays of Class B motorhomes, several travel trailers built for the demands of overlanding and more displays focused on overland builds, service and units."

The hours of the Tacoma RV Show are 10AM-7PM, Thursday-Saturday and 10AM-5PM on Sunday. General admission into the show is \$16 (service and credit card fees are additional). 16 and younger is FREE. There's a military admission discount that's \$9 and is only available at the show. Any valid military I.D. qualifies for this discount. There's also a \$2 discount coupon available online at [www.TacomaRVShow.com](http://www.TacomaRVShow.com). BECU members get 50% off admission into the show (\$8 with valid BECU debit or credit card).

Parking is always FREE! (\$15 value)
